

2023 OCEANIA & PADDLE AUSTRALIA CANOE MARATHON & SUP CHAMPIONSHIPS

6-10 April 2023, Geelong, Victoria

Newsletter #10

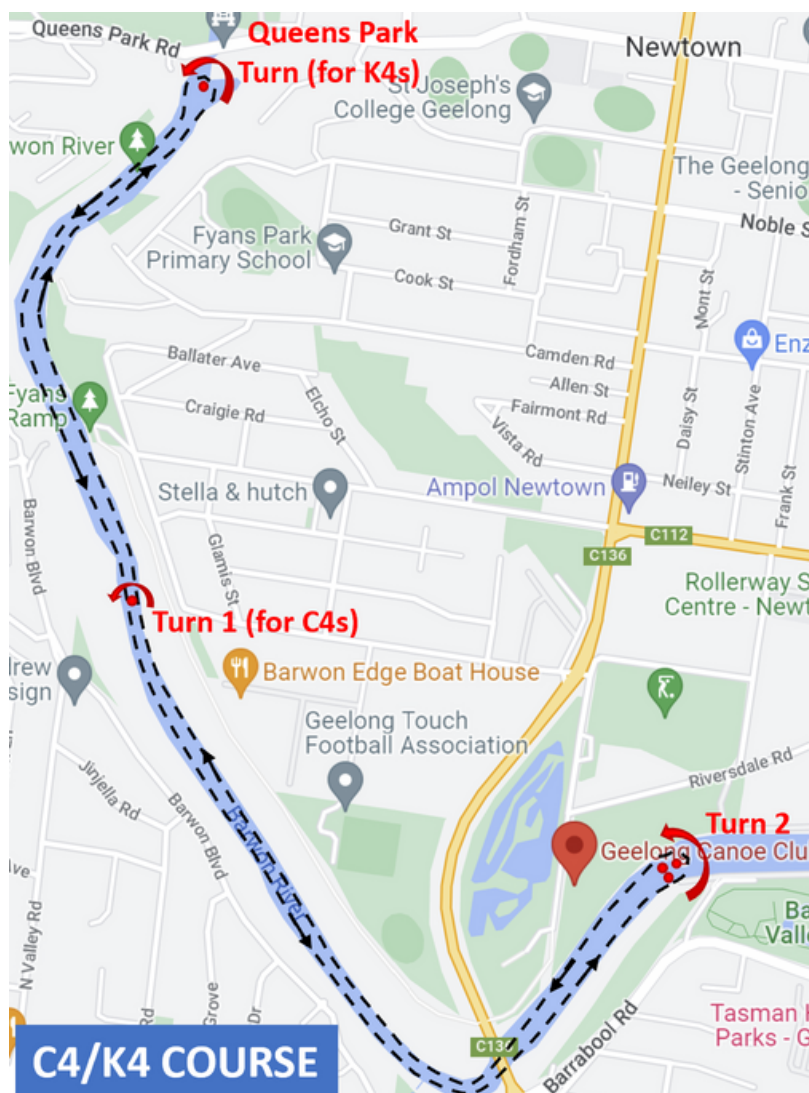

C4 and K4 Interstate Challenge

The C4 and K4 events consist of two (2) laps. There is NO portage. The start is in front of the Geelong Canoe Club, in the upstream direction.

The C4 crews will turn at turn 1 (approximately 1.8km upstream from the start) and the K4 crews will turn at the Queens Park turn (approximately 2.8km upstream).

The race will then proceed downstream to turn 2. Paddlers will then head back upstream for their second lap (C4 at turn 1 and K4 at Queens Park).

Paddlers must keep the coloured buoys along the course to their left.

The finish will be in a downstream direction (to avoid turning a K4/C4 close to the end of the race). The finish is marked with buoys in the middle third of the river. Paddlers must only pass through these buoys when finishing their race.

Boats

Paddle Victoria will arrange for the provision of C4 and K4 boats for the event which will be allocated via ballot. However other States can provide their own boats.

Mixed Teams

The C4 / K4 races are mixed team events, meaning that at least 50% of the crew must be women. Each boat represents a particular State. Paddlers from a different State/Territory can paddle as part of the State C4 / K4 crew but must be aware that they will be paddling for that State.
